

Welcome into space !

Do you like space ?

Yes !

No !

Some celebrity in atrophysical domain !

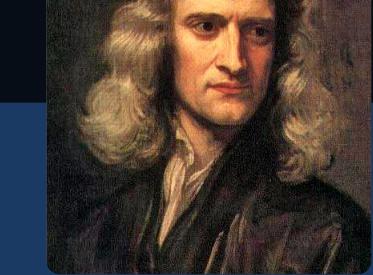

Albert Einstein

I masterize time and space.
ezy.

Stephen Hawking

Let's talk about black
hole...

Isaac Newton

Do you know what gravity is ?

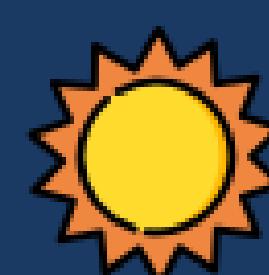

Hey, i'm Saturn the sixth planet of the solar
system. I'm a giant planet and my particular
sign is the ring-belt around me, so original !

Hey, i'm the Earth ! Lot of little monkey's and
other strange animals live on me.
That's monkeys are stupid, they kill
themselves for no reason !

Whhhhaaaaat, you don't recognize me ?
I'm THE SUN ! Who is here for cooking your
skin when you sleeping on the beach during
summer time ?
